The Registrant is unable to timely file its semi-annual report on Form N-SAR for the period ended September 30, 2002 because of delays in completing the Form related to the initial implementation by the Registrant of the disclosure controls and procedures of the Registrant as mandated under Rule 30a-2 under the Investment Company Act of 1940. The Registrant is a multi-manager fund with nine separate portfolio managers and a number of third-party service providers, each of which has a role in completion of the Form N-SAR and each of which must be consulted in connection therewith pursuant to the Registrant's disclosure controls and procedures.
